INTRODUCTION & CONTACT

This Halloween, it all starts with the wig. Target is offering an exclusive line of larger-than-life wigs created by notable costume and fashion designer and Bravo star Chris March. From Monster Bride and Medusa to Geisha and Greaser, these outrageous wigs will inspire the perfect Halloween look. (Note: Chris March wigs are under embargo until September 9)

Target is the one-stop shop for costumes and accessories for the whole family – including adults, kids and pets – this Halloween.

Finally, Target's Product Design and Development team created a stylish collection of Halloween home décor – ranging from classic to scary – to help Mom decorate her home, inside and out, for the big night.

Halloween products, including the exclusive Chris March wig collection, will set in Target stores and on Target.com on September 15.
