

Take Charge of Education[®]

Caring for the community starts with our schools.

Target is thrilled to be on track to donate \$1 billion for education by the end of 2015. Take Charge of Education plays an important role in our commitment. Since the program began in 1997, we've worked together with you to donate over \$418 million to your kids and your classrooms.

En Target nos alegra muchísimo estar más cerca de nuestra meta de donar mil millones de dólares a la educación para finales de 2015. El programa Take Charge of Education juega un papel importante en nuestro compromiso. Desde el comienzo del programa, en 1997, trabajamos junto contigo para donar más de \$418 millones a niños y aulas.

Para ayudar a la comunidad, hay que empezar por las escuelas.
